

Training Agreement

I have decided to participate in the UTMB Laboratory Biosafety Training Program (LBTP) for BSL3/BSL4. Prior to starting the LBTP I understand and agree that I will be asked to complete an assessment. If during this assessment phase, I do not meet the minimum skills and knowledge required for the requested training level, I understand and agree that UTMB reserves the right to re-assess the level of training requested and provide training at a lower biosafety level. If this situation should occur, I understand and agree that my Principal Investigator/Supervisor will be contacted immediately. I understand that all training fees paid for the course are non refundable.

In the event I return to complete my training at BSL3/BSL4, I understand that my training fee will be discounted by 30% of the original cost of the course.

I understand and agree that these are the following Pre-training requirements:

BSL3 training

- Working experience with infectious agents.
- Pass BSL2 skills assessment

BSL4

- Working experience with BSL3 agents
- Pass BSL3 skill assessment
- Complete BSL4 physical

By my signing below, I understand and agree that the potential outcome of the first assessment phase is as set out above and accept the terms set forth by UTMB.

Student Name: _____

Signature: _____

Date: _____

Principal Investigator/ Supervisor: _____

Signature: _____
